JOB REVIEW QUESTIONNAIRE

LONG FORM INTRODUCTION

The purpose of this questionnaire is to help you describe your job and tell us the conditions under which you carry it out so we may review it. Please read this questionnaire carefully and write your responses legibly in pen or use a word processor. Provide as much detail as possible and attach additional pages if necessary. You may find that some questions do not relate to your job. If this is the case, please write N/A (not applicable) in the space provided.

All responses are confidential to the JJEC members and are used solely to review and rate your job. The questionnaire is NOT about employee performance.

Employees doing the same job are encouraged to discuss their duties with each other. Group submissions are preferred if each person is in agreement with the response(s) and signs page eighteen.

For further information, please contact one of the Joint Job Evaluation Committee members listed on our School District website:

Thank you for your assistance – Joint Job Evaluation Committee (JJEC)

Job Review Questionnaire

PART "A" – JOB ANALYSIS

FACTOR #1: RESPONSIBILITY – Accountability

A) Which statement best describes the likely consequences of an **error** in doing your work?

- An error would have little or no direct consequence on others, I could correct it myself.
- An activity involving others could be delayed or an error would result in minor loss of time or resource.
- Others could suffer damages or some physical/psychological discomfort; or an error would result in significant loss of time or resource or some embarrassment within the department or organization.
- Others could suffer significant physical/psychological harm; probable errors could involve considerable expenditures of time or resource or significant embarrassment within the organization.
- Others could suffer permanent physical/psychological impairment; probable errors could involve major expenditure of time or resource or cause severe embarrassment within the organization.

Please give examples of significant **errors** which could be made in your job and indicate **the consequences such as financial loss, effect on others, disruption or delay of service.**

What would be the effect of errors on others in terms of the loss of time, the effect on the work or the impact on the public image of the most serious errors that could be committed in the carrying out of your job duties?

How would such errors be discovered, corrected and resolved?
