**Mission Statement And Goals**

The Board of Trustees endorses the following mission statement and goals. Goals will be reviewed annually.

*The District Mission is to provide learners with the opportunity to develop their full potential as successful individuals and members of society.*

**GOALS**

1. Foster the development of responsible, lifelong learners with high self-esteem and respect for others.
2. Facilitate programs that enable learners to experience success.
3. Encourage involvement of parents and the community in the school system.
4. Encourage recognition of school and district efforts and/or success.
