Access To Information

Rationale: *The Board acknowledges and accepts its responsibility to ensure that general information related to the operation of the school district is available to the community. The Board also acknowledges and accepts its responsibility to protect the privacy of school district employees, students and local public body confidences.*

Policy

In fulfilling its responsibilities, the Board is guided by relevant Provincial and Federal Legislation.

The Superintendent of Schools is appointed by the Board as the head of the *Freedom of Information and Protection of Privacy Act* for the school district.

The Secretary-Treasurer is authorized by the Board to administer the Act and make operational decisions.
