Non-Sexist And Non-Racist Working And Learning Environment

The Board recognizes the right of all employees and students in the Gulf Islands School District to work and learn in an environment free from sexual and racial harassment. Further, there shall be no discrimination in this District by any member of the school community on the basis of any prohibited grounds of discrimination as defined in the Human Rights Act of British Columbia. It is the intent of this policy to foster an environment in which all members of the school community may work together in an atmosphere of tolerance and respect for individual differences.
