Suspension of Students

Rationale: *School District #64 (Gulf Islands) Board of Trustees recognizes the need of the school administrator to maintain a safe and healthy atmosphere for students at all times.*

Policy

The Board of Trustees supports the use of alternatives which include counseling, mediation, and restorative justice measures to student suspension when and where possible.

The Principals and/or Vice Principals are given general authority to suspend a student in accordance with Board Procedures or they may designate that authority to a Teacher-in-Charge.
