Loans of Equipment

Equipment is provided to support the approved programs of the District. Priorities for use of equipment are:

1. School Curriculum use
2. Continuing Education
3. Other public and community organizations

Subject to this Policy equipment is in the care and control of the principal of the school concerned or, of the District Resource Centre, the District Librarian.

Equipment may be loaned to responsible, non-profit, public and community based groups subject to prompt return in good condition. Equipment is not available for loan to individuals or for profit making activities.
