

- Policy Number: 960
 - Policy Name: Outdoor Recreational Areas (Revision #4)
 - Date of Revision: 2012 01 25
-

Rationale

The Board supports outdoor recreational areas at all schools.

Policy

The Board may provide resources, subject to budgetary limitations, to create and enhance the outdoor recreational areas at each school.

Parent groups or others may provide additional equipment subject to Board approval of design, location, installation and other arrangements.

The school district will undertake responsibility for the maintenance and management, as per Policy 900, *Public Use of School Facilities*, of approved facilities.

Any such equipment installed on school district premises shall become the property of the Board of Education.
