**Volunteers in District Schools**

1. The Volunteer Policy is established at schools by the principal in consultation with staff. Individual volunteers shall remain under the authority of the principal and sponsoring staff member with whom they are working.
2. All volunteers shall grant permission for a criminal record search.
3. Volunteers shall not be used to replace or displace paid employees, in whole or in part.

**(Refer to Policy No. 720 - Student Transportation - Private Cars)**
