## PENDER ISLANDS ELEMENTARY SECONDARY SCHOOL

**Position:** Teacher – Multiage Nature Based Program (Spring Leaves)

**Appointment:** 0.5 FTE (Continuing)  
Schedule to be determined in consultation with Principal

**Assignment:** K-8 multi-age

### **Role/Duties and Responsibilities:**

The successful applicant will provide exemplary nature based/place based/multiage learning experiences for K-8 learners. This position requires a great deal of collaboration, flexibility, creativity, patience, and a passion for experiential, environmental, place-based & differentiated education. The successful candidate will play a significant role in fostering a deep connection to nature and in encouraging an appreciation for conservation, preservation and sustainability. The successful applicant will work collaboratively with colleagues, parents and mentors to provide students with holistic, nature based experiential learning opportunities

### **Necessary Qualifications:**

#### **Documented evidence of:**

- B.C. Ministry of Education Teaching Certification
- Exemplary teaching qualifications, current experience and training in Environmental/Ecological Education, Outdoor Education and place-based programs
- Exemplary teaching experience in multiage learning environments leading students in activities that promote their physical, mental and social development
- Knowledge of current best practices in literacy and numeracy instruction
- Effective use of formative and summative assessment to support student learning
- Current experience in positive behaviour support systems
- Ability to plan, facilitate and evaluate self-directed learning and reconcile with provincial learning outcomes
- Ability to deliver programs in an inter-disciplinary/thematic way in both classroom and field settings
- Strong background in play-based learning
- A strong working knowledge of current ecological/environmental issues as they pertain to education
- Proven ability and willingness to enroll, implement and support community and parent mentors as integral contributors to learning
- Successful experience using appropriate technology to support learning
- Exemplary behaviour management and organizational skills
- Valid First Aid Certification or willingness to acquire certification
- Experience working in inclusive environments supporting learning for all students

### **Desired Qualifications:**

#### **Documented evidence of:**

- Strong interpersonal, communication and collaboration skills
- Ability to collaborate with parents and colleagues to provide hybrid learning opportunities
- Collaborative approach to working with colleagues and a commitment to work on team goals for the improvement of student achievement
- Ability to respond with flexibility, commitment and good humour to a wide range of changes and challenges characteristic of a unique and evolving program
- Successful experience in collaborative teaching and interest in a strong community approach to education
- Class 4/5 driver's license and safe driving record (reference Policy & Procedure 705)
- Commitment to professional growth
