REVIEW

Agenda - Approved

Review Previous Minutes – June Training Session Reviewed

Injury and Near Miss Summary Reviewed – A question was made about an injury and the chair will clarify.

Action List Work Orders Review – Work Orders reviewed and some marked complete.

OLD BUSINESS

JHSC Evaluation Tools – Action: Filled out Evaluation forms will be collected and the results compiled by the recorder for the next meeting.

Asbestos Abatement – SD # 64 hired EHS Environmental Health Services to survey our schools for Asbestos Containing Materials ACMs. The report identified 2 materials that contained asbestos that should be removed. Both of the areas identified have had the ACMs removed by a professional removal company this summer. Removal recommendations have been completed.

Water Testing Plumbing Changes – All of the water at Fulford School is testing well below the acceptable levels for lead after changes to the plumbing. A section of pipe was removed and replaced and the water was retested with very good results.
