- Experience in planning and teaching outdoor environmental-based education experiences, including nature and place-based programs
- Knowledge of current best practices in literacy and numeracy instruction at the primary/intermediate level
- Exemplary teaching experience in multiage learning environments leading students in activities that promote their physical, mental and social development
- Effective use of formative and summative assessment to support student learning
- Current experience in positive behaviour support systems
- Ability to plan, facilitate and evaluate self-directed learning and reconcile with provincial learning outcomes
- Ability to deliver programs in an inter-disciplinary/thematic way in both classroom and field settings
- Strong background in play-based learning
- A strong working knowledge of ecological/environmental issues as they pertain to education
- Proven ability and willingness to enroll, implement and support community and parent mentors as integral contributors to learning
- Successful experience using appropriate technology to support learning
- Experience working in inclusive environments supporting learning for all students
- Exemplary behaviour management and organizational skills
- Valid First Aid Certification or willingness to acquire certification

Desired Qualifications:

Documented evidence of:

- Strong interpersonal, communication and collaboration skills
- Ability to respond with flexibility, commitment and good humour to a wide range of changes and challenges characteristic of a unique and evolving program
- Collaborative approach to working with colleagues and a commitment to work on team goals for the improvement of student achievement
- Ability to teach music and fine arts in a multiage setting
- Class 4/5 driver's license and safe driving record (reference Policy & Procedure 705, *Student Transportation*)
- Commitment to professional growth
