### LEARNING SERVICES SPEECH & LANGUAGE

Dear Parents:

We are looking forward to seeing your child in kindergarten in September! We would appreciate your consent to complete a brief speech and language screening. This will allow us to initiate programs that meet students' needs in a timely manner in the Fall. Any information you have regarding pre-school speech and language supports would be greatly appreciated.

The screening takes approximately 15 minutes during which your child will be asked to tell a story with picture cards, follow directions with fun little objects, repeat sentences, and identify general categories. During these activities we are also listening for speech sounds and observing other areas of communication development.

We hope to offer times at various sites in June. For those not able to schedule a time we will complete the screenings once your child has entered school.

Should you have any questions or concerns, please do not hesitate to contact Colleen Belliveau, Speech Language Pathologist, via email at [cbelliveau@sd64.org](mailto:cbelliveau@sd64.org) or by leaving a message at 250-537-5548 (extension 207).

Sincerely,

Colleen Belliveau, M.A., RSLP  
Speech Language Pathologist

Olive Mann, B.A., CDA  
Communication Assistant
