PhoeniX Elementary School

Position: Resource Teacher with the Learning Partners (LP) Program

Appointment: 0.8 FTE (Temporary). Schedule to be determined in consultation with principal

Assignment: Grades 4-8

As one of the Resource Teachers associated with the Learning Design Partners Program at Phoenix Elementary School, the successful candidate will facilitate individual learning plans and work collaboratively with the district, school staffs and families to provide superior educational opportunities for students. The successful candidate will provide service to students in satellite locations.

Necessary Qualifications:

Documented evidence of:

- Exemplary teaching qualifications, experience and training as an elementary teacher
- Current and solid knowledge of curriculum to support intermediate and middle years learners
- Experience in planning outdoor environmental-based education experiences, including nature and place-based programs.
- Specific training, coursework and current experience in literacy, numeracy and positive behaviour support
- Experience working in alternate education
- Exemplary teaching experience in multiage learning environments leading students in activities that promote their physical, mental and social development
- Ability to plan, facilitate and evaluate self-directed learning and reconcile with provincial learning outcomes
- Ability to deliver programs in an inter-disciplinary/thematic way in both classroom and field settings
- Ability to facilitate physical education programs
- Successful experience implementing supports and IEPs for students with complex learning needs
- Proven ability and willingness to enroll, implement and support community and parent mentors as integral contributors to learning.
- Support for parent involvement in planning and implementing programs and activities and ability to successfully facilitate collaborative meetings
- Successful experience using appropriate technology to support learning
- Experience working in inclusive environments supporting learning for all students
- Valid First Aid Certification or willingness to acquire certification

Desired Qualifications:

Documented evidence of:

- Course work and experience in differentiated instruction, evidence-based teaching and project-based learning
- A strong working knowledge of ecological/environmental issues as they pertain to education
- Ability to respond with flexibility, commitment and good humor to a wide range of changes and challenges
- An understanding and appreciation of a small school’s benefits and challenges
- Willingness to respond to unique teaching opportunities e.g. ability to change plans when unexpected opportunities arise
- Commitment to professional growth particularly in the area of alternative educational approaches

Start Date: September 1, 2019

End Date: June 30, 2020

Closing Date: 4:00 p.m., Friday, June 21, 2019
