

Facilities and Transportation Manager - Gulf Islands School District #64

We are seeking an exceptional leader to join our team as Facilities and Transportation Manager.

Reporting to the Secretary Treasurer, the Facilities and Transportation Manager is responsible for all aspects of the district's facilities, including maintenance, transportation, building services, grounds, health and safety, capital planning and construction.

This position has supervisory responsibility for approximately fifteen staff including lead hands and department supervisors while supporting the Secretary Treasurer in the effective management of operations of the organization. The Facilities and Transportation Manager assists with the development and implementation of planning for the provision of services in alignment with the district strategic plan.

As the ideal candidate, you have proven strategic leadership, dispute resolution, and communication skills. An ability to plan, organize, and implement ethical solutions to issues and operational problems are attributes vital to success in this role. A minimum of five years' experience in a management role is required. Hands-on knowledge of building operations and maintenance is essential. Successful experience in a leadership role in a multi-union public sector environment is an asset.

If you are motivated by this challenge, please visit our website, and submit your application including a cover letter, curriculum vitae and three professional references in a single pdf document to cnuyens@sd64.org.

Please address inquiries to D'Arcy Deacon, Director of Instruction at ddeacon@sd64.org or 250.537.5548

The competition will remain open until a suitable candidate is found, however applications received by July 8, 2022 will be assured consideration. The preferred commencement date for this position is August 1, 2022.

Inspire Integrate Involve

Gulf Islands School District is located in the Salish Sea (Strait of Georgia) and is home to five island communities – Salt Spring, Pender, Galiano, Mayne and Saturna.

The district currently serves 1500 students and is proud of its quality programming; including successful Aboriginal programming, thriving International Program, performing arts academy, ecological, nature based, and late French Immersion programs.

We place students at the heart of our work and aspire to the values of trust, responsibility, opportunity, sustainability, collaboration and diversity.
